One day a famous man went to a nursing home to see all of his friends again and see how there were doing. When he got there EVERYBODY greeted him [because, of course, everybody knows him].

One man he noticed didn't come up to him or say anything to him, so later he walked up to the man and asked him "Do you know who I am?" and the old man replied "No, but you can go to the front desk and they'll tell you."

My friend recently got crushed by a pile of books, but he's only got his shelf to blame
